GUI (1) Summary (2)

NL Requirements: "online form for personal details"

The screenshot shows a mobile application's sign-up screen. At the top, there is a navigation bar with icons for signal strength, battery level, and time (10:44). Below the bar, the title "Sign Up" is displayed in blue, with a back arrow icon to its left. To the right of the title is a "Sign In" link. The main form area begins with a "Gender" section featuring a male icon with a checked radio button and a female icon with an unchecked radio button. The next field is a date input showing "7/13/83". A red error message "Please specify your location" is visible next to a location pin icon. The following fields are "Name" (containing "Raphael Tan") and "Email" (containing "appcrawler2@gmail.com"). At the bottom of the form is a large, rounded rectangular button in a purple color, labeled "JOIN NOW" in white capital letters. At the very bottom of the screen, there is a black navigation bar with three white icons: a triangle pointing left, a circle, and a square.

Additional Requirements

1. "occupation"
2. "emergency contact"
